**DN COLLEGES GROUP**

At DN Colleges Group we believe that international study and work experience offer fantastic opportunities to develop both your personal and professional skills whilst experiencing a whole new culture - and it looks great on your CV! We can offer this, due to funding that we have in place from Erasmus+ and the Turing Scheme, respectively.

Erasmus+ is the European Union programme for education, training, youth and sport and they provide funding for people to study, train, gain work experience or volunteer abroad. The Turing Scheme is the UK government's scheme to provide funding for international opportunities in education and training across the world.

### 2022/2023 Programme

We have great opportunities available for our students to complete two-week work placements in the following countries\*:

*\*Destinations and partnerships are subject to change. At all times DN Colleges Group will follow Foreign Office guidelines, including updates on COVID-19 travel restrictions.*

Students, apprentices and staff who are interested in work experience and study overseas, or local organisations and businesses who would like to offer a work placement to an international student, please contact the international department at [international.team@dncolleges.ac.uk](mailto:international.team@dncolleges.ac.uk)
