# LEARNING DESTINATION

The student who has given you this postcard is taking part in Children's University and would like to be able to add the time they spend learning with you to their Passport to Learning.

Children's University is a national programme that rewards 5 to 14 year olds for participating in voluntary learning activities! Students are provided with a Passport to Learning to collect stamps from Learning Destinations as proof of their learning.

Registering to become a Learning Destination is **free** and once registered, you'll receive our Learning Destination Quality Mark and your activity will be visible on our website.

**SCAN ME TO REGISTER!**
