

A Bright Future

Tell us what your talents are, what you love doing and what you are good at! Create your own job and your own business.

For your business you will need a name and a logo to build your own brand. It will be something that people can see and make them think of your business.

Ideas for your business name

Ideas for a logo

Your Brand

What is your final idea?

In the space below tell us what you have decided to choose as your business and why you have chosen it. Draw your logo and include your business name so we can see your brand ideas.

A large, empty white rectangular box intended for drawing a logo and writing a business name and description.
