ABOUT US

INTRODUCTION TO NORTH LINDSEY COLLEGE

At North Lindsey College, we're proud to have been part of the Scunthorpe and North Lincolnshire community for more than 70 years. Established in 1953, we've grown alongside the region, helping generations of learners gain the skills, knowledge and confidence to take their next steps.

We offer a wide range of full-time and part-time courses, apprenticeships and T Levels, as well as courses for adult learners. We work closely with employers and industry partners across the region, giving our students opportunities to develop practical, industry-relevant skills and experience that can help them stand out in the world of work or progress to further study.

As part of DN Colleges Group, we're proud to be part of a wider education community across South Yorkshire, Greater Lincolnshire and the Humber. Alongside North Lindsey College, the Group includes Doncaster College, University Campus North Lincolnshire, University Campus Doncaster and the Humber Energy Skills Training Academy.

Most importantly, we're here to help you find your direction, discover what you're capable of and take the next step towards your future. Whatever your ambitions, we're ready to help you make them happen.

PRINCIPAL'S WELCOME

DID YOU KNOW:
We are in the **Top 15%** of colleges nationally for 16-18 achievement rates.

WELCOME AND THANK YOU FOR YOUR INTEREST IN NORTH LINDSEY COLLEGE.

This new prospectus showcases our sector-leading facilities, the support available from our fabulous staff, and the wide range of opportunities, subjects, and levels we deliver.

In January 2025, Ofsted once again recognised us as a Good provider and highlighted many key strengths across the breadth of our provision. Learners at the college were seen to grow in confidence, take pride in their excellent levels of achievement and benefit from highly effective personal development.

We recognise that students will take different routes to reach their personal and professional goals and to enable this, we offer a wide range of study options, including studying on a full-time course, learning whilst working on a high-quality apprenticeship, or heading on to our amazing local higher education offer at our university campus provision. Whatever route you take, we want you to enjoy your time with us and become an active member of our college community.

To maximise your chances of success, we believe that good attendance and punctuality are important and will be essential for you to reach your potential. This is not only important for learning on your course and to ensure the best possible grades but is also highly valuable preparation for your future working life.

You will all be aware of the importance of gaining maths and English qualifications to a good standard and we will continue to support you to achieve those qualifications if you haven't already done so.

There are many opportunities to get involved in college activities and our community and to make your voice heard. These include becoming a student governor, Student Rep, taking part in trips, clubs and societies, WorldSkills UK events, internal college leagues, The Duke of Edinburgh's Awards scheme and much more.

You can expect us to provide you with great teaching and learning, as well as wider wrap around support to enable you to succeed.

We wish you all the best and look forward to seeing you around the college in the future.

Daniel Fenwick
Group Principal - DN Colleges Group

LEVEL 1

EXTENDED CERTIFICATE IN DIGITAL SKILLS

Course Duration: 1 Year
Assessment: 100% Coursework
Entry Requirements: At least 4 GCSE grades 3-1

Units you may study include:
- Website design
- Photo editing
- Video production
- Animation
- Programming
- Employability skills

Progression routes include:
- Apprenticeship
- Employment
- Progress on to a Level 2 course

LEVEL 2

EXTENDED CERTIFICATE IN CREATIVE MEDIA, GAMES DESIGN & PHOTOGRAPHY

Course Duration: 1 Year
Assessment: 100% Coursework
Entry Requirements: 4 GCSEs at grade 3 or above including maths or English

Units you may study include:
- Photography
- Web design
- Games design
- Editing techniques
- Interactive media
- Content creation
- Employability skills
- Animation
- Video production
- Careers progression

Progression routes include:
- Apprenticeship
- Employment
- Progress on to Level 3 Diploma in Creative Media Production & Technology

LEVEL 2

CERTIFICATE IN ESPORTS

Course Duration: 1 Year
Assessment: 100% Coursework
Entry Requirements: GCSE English & maths grade 3 or above

Units you may study include:
- Esports games, teams and tournaments
- Establishing an Esports organisation
- Streaming for Esports
- Planning an Esports event

Progression routes include:
- Apprenticeship
- Employment
- Progress on to Level 3

LEVEL 3

CERTIFICATE IN WEB DESIGN

Course Duration: 1 Year
Assessment: 100% Coursework
Entry Requirements: 5 GCSEs at grade 4 and above including English & maths, and ideally a qualification in IT or computing

Units you may study include:
- Understanding the web and web design
- Hypertext Markup Language (HTML)
- Cascading Style Sheets (CSS)
- JavaScript
- Fundamentals of web images

Progression routes include:
- University
- Employment
- Apprenticeship
- Progression to University Campus North Lincolnshire (UCNL)

Lilas Shoukair

Course:
ESOL Study Programme

Current Status:
BA (Hons) Interior Architecture student at Sheffield Hallam University

Fun Fact:
Alongside her course, Lilas also completed her GCSE English and maths!

"I HAVE GROWN SO MUCH SINCE STARTING NORTH LINDSEY COLLEGE, I'VE BEEN ABLE TO PASS MY ENGLISH AND MATHS GCSES BECAUSE OF THE SUPPORT I HAVE RECEIVED, AND I THANK THEM FOR THAT."

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

THE NEW-START ENGLISH LEARNER

LEARNING ENGLISH TO BUILD A LIFE. SPEAKING, READING AND WRITING WITH KIND TEACHERS AND MOVING ON TO GCSES, A JOB, COURSE, OR EMPLOYMENT.

WHAT YOU'LL LEARN:

* English language skills * Reading and writing in English
* Presentation skills * GCSE Maths (if required)

OUR FACILITIES:

* Bilingual teaching staff * High-spec equipment
* Modern learning environment * Progression opportunities

WHERE OUR STUDENTS GO:

* Full-time FE courses * T Levels * Employment
* Apprenticeships

ESOL

If English isn't your first language, this course is a great place to start. Our ESOL programme will help you build confidence in reading, writing, speaking and listening with support from friendly, experienced tutors. You'll also work on the skills you need for everyday life, further study, and future jobs. Once your English improves, you'll be ready to move on to a vocational course at college or take the next step towards your career goals.

ENTRY LEVEL 1, 2, 3

ESOL STUDY PROGRAMME

Course Duration: 1 Year

Course Introduction
This is course is aimed at 16-18-year-olds who have English as a second language and need to improve their English language skills before progressing onto their chosen vocational area within the college or the world of work.

The course covers speaking, listening, reading and writing.

As part of the course you will also work towards a maths qualification if you haven't already got a grade 4 or higher for your GCSE. You will be taught by experienced English teachers and undertake 30 hours' work placement as part of your qualification. The qualification is assessed in three levels from Entry 1 to Entry 3.

There are no entry requirements for our ESOL study programmes. You will be interviewed and assessed once we have received your application, and the specialist tutors will give you initial advice and guidance about the most appropriate course and level for you.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL): ADULT PART TIME COURSES

There are no entry requirements for our ESOL Adult Programmes. You will be interviewed and assessed once we have received your application, and the specialist tutors will give you initial advice and guidance about the most appropriate course and level for you.

ENTRY 1 TO LEVEL 2

ESOL SPEAKING AND LISTENING

Course Introduction
This course is only available for those aged 19+, for those students aged 16-18, you would be required to undertake the ESOL study programme.

This course is taught to a variety of levels, from Entry 1 to Level 2, and is delivered part-time for two sessions a week with start dates in September. The course runs for 12-14 weeks and then you will undertake an exam and progression courses will be discussed.

Assessment method
This qualification is assessed using a variety of methods including examinations and formative assessment.

You will learn:
- How to listen and respond to extended and detailed spoken language
- How to speak and communicate detailed information
- How to share ideas and opinions clearly and appropriately
- How to engage in discussion in a variety of situations making clear and effective contributions

CAREERS

- Many students progress into vocational subject areas on completion of the ESOL programme, depending on your career plans
- You can talk to our careers advisors about the individual opportunities available to you

APPLY NOW!

DID YOU KNOW:

92% of our learners **progress to a positive destination,** whether that's employment, university, an apprenticeship or further study.

ESOL

ENTRY 1 & ENTRY 2

ESOL READING

This course is a standalone qualification and is only available to those aged 19+. For those students aged 16-18, you would be required to undertake the ESOL Study Programme. This course starts in January and runs for 7-8 weeks. At that point you will undertake an end point exam and progression courses will be discussed.

Assessment method
This qualification is assessed using a variety of methods including examinations and formative assessment.

You will learn how to read and understand meaning and purpose in a variety of texts and how to obtain different information from a variety of sources, along with reference materials and spelling strategies to support understanding.

You will have an assessment to make sure you are at the right level for the course. You will be interviewed and assessed once we have received your application and the specialist tutors will give you initial advice and guidance about the most appropriate course and level for you.

ENTRY 1 & 2

ESOL WRITING

This course is a standalone qualification and is only available to those aged 19+. For those aged 16-18, you would be required to undertake the ESOL Study Programme. This course starts in March and runs for 12 weeks. At that point you will undertake an end point exam and progression courses will be discussed.

Assessment method
This qualification is assessed using a variety of methods including examinations and formative assessment.

You will learn how to write to communicate ideas for different audiences and purposes as well as use of accurate spelling, punctuation and grammar.

You will have an assessment to make sure you are at the right level for the course. You will be interviewed and assessed once we have received your application and the specialist tutors will give you initial advice and guidance about the most appropriate course and level for you.

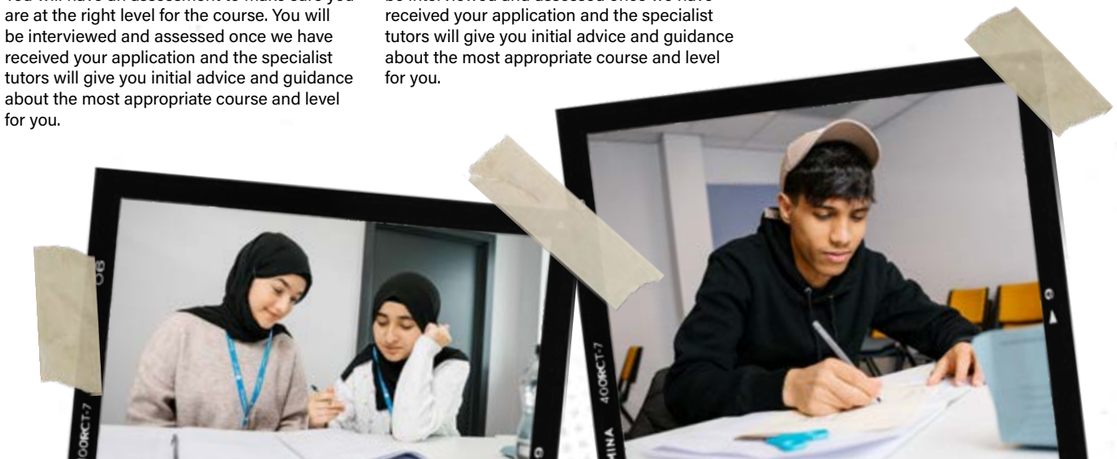

PRE-ENTRY

ESOL ILP (NON-ACCREDITED)

Starts: September, January, March

This is a course designed for students who are truly at the start of their learning journey with English. This course would also be beneficial to those who may have limited literacy skills in their first language. Students work on their own individual targets with a view to progressing onto a qualification. Delivery is face-to-face, twice a week in three hour sessions.

Course Fees
Many learners access ESOL courses for free, subject to status checks. If you do have to pay, fees range from £0 - £257 for home-status students.

APPLY NOW!

ENTRY 3, LEVEL 1 & LEVEL 2

CITY AND GUILDS FUNCTIONAL SKILLS ENGLISH FOR ESOL LEARNERS

Starts: January

Students will develop their English skills in order to be able to take part in discussions and conduct presentations effectively. They will be able to complete complex forms, write reports, emails and letters in order to function in everyday life.

Assessment will include three exams as well as an initial entry diagnostic and informal assessments throughout the course. There are three components to Functional Skills English (these are reading, writing and speaking, and listening and communicating). All three components are internally assessed and quality assured by the centre and externally quality assured by City & Guilds.

Applicants must be able to demonstrate that they are working towards the level of the course they are applying for during their initial assessment and interview to be offered a place. At interview, careers guidance will also be given to ensure that this is the most appropriate course.

ENTRY 1, 2 & 3

FUNCTIONAL SKILLS MATHS FOR ESOL LEARNERS

We also offer students enrolled on an ESOL course the opportunity to develop their mathematics by additionally enrolling onto a Functional Skills maths for ESOL learners. This is fully funded and will run for two hours a week throughout the year. Please ask your tutor for details once enrolled.

FOUNDATION STUDIES

ENTRY 2/3

EMPLOYABILITY SKILLS

Course Duration: 1 Year
Entry Requirements: Educational references. An interview with the course leader to assess suitability.

Course Introduction
These courses are designed to support learners in developing the essential skills needed for employment, further study, and independent living. They are ideal for post-16 learners with mild to moderate learning difficulties who are preparing for adult life.

Learners will study a range of practical and personal development units, including:
- Planning for progression
- Personal finance
- Behaviour at work
- Effective communication
- Introduction to ICT
- Applying for a job
- Improving personal manner and conduct
- Searching for a job
- Workplace safety and emergency procedures
- Identifying hazards in familiar settings
- Working as part of a group
- Healthy living
- Personal skills
- Making a familiar journey safely
- Environmental awareness
- Dealing with problems in daily life

Progression routes include:
- Entry Level 3/Level 1 vocational courses (e.g., Land-Based or Catering)
- Supported employment or further study in areas such as construction, digital technologies, or public services

LEVEL 1

AWARD IN PROGRESSION

Course Duration: 1 Year
Entry Requirements: There are no formal entry requirements, but learners will be assessed to ensure they are working at Entry Level 3 or above in English and maths. This ensures they can fully engage with the course content.

Course Introduction
The Level 1 Award in Progression is a flexible, pre-vocational qualification designed to support learners in developing the personal, social, and employability skills needed to progress into further education, training, or employment. It is particularly suitable for learners with learning difficulties and/or disabilities.

The course includes a wide range of units tailored to individual needs and interests. These may include:
- Independent travel
- Personal safety
- Self-advocacy
- Developing relationships
- Employability skills
- Literacy, numeracy, and ICT
- Personal development
- Sector-specific tasters (e.g., health and social care, construction, ICT, and creative industries)

The flexibility of the course allows learners to build a personalised programme that supports their goals and aspirations.

Progression routes include:
- Level 1 or Level 2 vocational qualifications
- Apprenticeships
- Supported internships
- Employment or volunteering opportunities
- Further personal development programmes

STUDENT PROFILE

Name:
Elissia East

Course:
Level 2 Healthcare Assistant Apprenticeship

Current Status:
Completing a healthcare assistant apprenticeship

Fun Fact:
Elissia's career goal is to become a Nurse!

"I LEARN BEST BY DOING, AND THE APPRENTICESHIP ALLOWS ME TO BUILD REAL-LIFE SKILLS IN A CLINICAL ENVIRONMENT WHILE ALSO DEVELOPING MY KNOWLEDGE THROUGH STUDY."

APPRENTICESHIPS

THE ASPIRING APPRENTICE

WANTS A REAL JOB AND A REAL WAGE NOW, NOT MORE CLASSROOM – HERE TO EARN WHILE THEY LEARN, GET QUALIFIED, AND BUILD A CAREER WITHOUT THE DEBT.

WHAT YOU'LL GAIN:

* Real-world skills * Work experience
* Workplace know-how * A qualification
* A wage whilst you learn

HOW WE'LL SUPPORT YOU:

* Find the right apprenticeships * Help with applications
* Support every step of the way * A dedicated assessor

WHERE COULD IT TAKE YOU?

* A higher-level apprenticeship * A full-time job
* A career you enjoy

APPRENTICESHIPS

WE WORK WITH SOME OF THE LARGEST EMPLOYERS IN THE COUNTRY, WHO CHOOSE DN COLLEGES GROUP AS THEIR PREFERRED PROVIDER OF HIGH-QUALITY APPRENTICESHIPS.

WHAT IS AN APPRENTICESHIP?

An apprenticeship gives you the opportunity to study and work at the same time. This allows you to earn a wage while gaining qualifications and valuable industry experience.

Unlike most traditional full-time courses, some of our apprenticeship programmes offer enrolment at different points throughout the year, meaning it's never too late to apply.

WHEN CAN I APPLY FOR AN APPRENTICESHIP?

You can apply for an apprenticeship at any stage, including:

- When you leave school
- During an existing course if you choose to swap courses
- After leaving college
- As an adult learner later in your career

FIND OUT MORE

HOW DO I APPLY FOR AN APPRENTICESHIP?

You can apply via the UCAS website or the National Apprenticeship Service website at gov.uk/apply-apprenticeship.

As an apprenticeship is a job with training, it's important to research opportunities carefully and prepare well for interviews with employers.

You can also contact the team using the details on the opposite page to register for the latest vacancies.

HOW DO I FIND OUT ABOUT APPRENTICESHIP OPPORTUNITIES?

Our team at DN Colleges Group can help you identify the type of apprenticeship you are interested in. We have close links with local employers in a wide range of sectors, and we advertise vacancies both on our website and the National Apprenticeship Service. Our team can also keep you up to date with apprenticeship opportunities in your area of interest.

Apprenticeships

WHAT ARE THE BENEFITS OF AN APPRENTICESHIP?

- **Gain a nationally recognised qualification** that can lead to higher education and further study, while improving your career prospects.
- **Earn while you learn** – apprentices are paid at least the national minimum apprentice wage, with many employers paying more.
- **No student loan** – Start your career in your chosen field and upskill through apprenticeships, including higher-level options, without needing a student loan.
- **Develop key work skills** such as communication, teamwork, and accountability.
- **Progress in your career** through nationally recognised training.
- While on your apprenticeship, you are an employee of the company and entitled to the same benefits as other staff, including holidays.

If you would like more information regarding apprenticeships, please contact the Apprenticeship team on 01302 553913, email apprenticeship.support@dncolleges.ac.uk or scan the QR code.

96% of apprentices say their programme has helped them develop **new skills** that support their **future career progression**

HUMBER ENERGY SKILLS TRAINING ACADEMY

THE HUMBER ENERGY SKILLS TRAINING ACADEMY (HESTA) IS A SPECIALIST TRAINING CENTRE BASED IN HULL, OFFERING A RANGE OF FURTHER EDUCATION COURSES AND APPRENTICESHIPS FOCUSED ON THE ENERGY AND ENGINEERING INDUSTRIES.

HESTA is the only training provider within 90 miles of Hull where you can train as a Refrigeration, Air Conditioning and Heat Pump Engineering (RACHP) apprentice, giving you access to unique career opportunities in a growing sector.

Training at HESTA aligns with the government's net zero ambitions and the Humber region's Energy Estuary priorities, helping you develop future-focused skills that employers are actively looking for.

Thanks to strong partnerships with local employers, many HESTA students are identified for apprenticeship opportunities during their studies. With smaller class sizes and specialist facilities, you'll benefit from personalised support and expert guidance throughout your training.

Courses Available

- **Level 2 Diploma in Access to Building Services Engineering**
- **Level 3 Installation and Maintenance Electrician Apprenticeship Standard**
- **Level 3 Refrigeration Air Conditioning and Heat Pump Technician (RACHP) Apprenticeship Standard**
- **Level 3 Electrotechnical Experienced Worker Qualification**

Humber Energy Skills Training Academy

WORK EXPERIENCE & INTERNATIONAL

WORK EXPERIENCE

Work experience is an invaluable opportunity for you to gain an insight into the world of work. We believe that learning takes place both in the classroom or workshop as well as through outside experiences with employers.

All students across every subject area are supported to undertake work experience placements. The placement will focus on developing the practical and technical skills required for the profession or trade you will be studying.

Our Work Placement Officers will support and assist you in finding a placement, ensuring you get the most out of your experience. You will have the opportunity to take part in fantastic community projects. We work with a wide range of employers across various sectors locally and beyond, all of which offer exciting opportunities to work on real projects. Placements in business and industry help you develop the skills and attitudes needed for employment.

In addition, you will take part in employer-led projects, subject-related visits, and guest speaker sessions that bring the workplace into your programme of study.

INTERNATIONAL

You may also have the chance to take part in international work experience, a fantastic opportunity to develop both your personal and professional skills while experiencing work and life in a whole new culture.

With financial support from the Turing Scheme, this will give you the opportunity of a lifetime to work abroad for two weeks with one of our many partner colleges and organisations at no cost.

The UK government scheme provides funding for international education and training around the world. Students, including those on an apprenticeship, can study, work, and take part in skills competitions abroad.

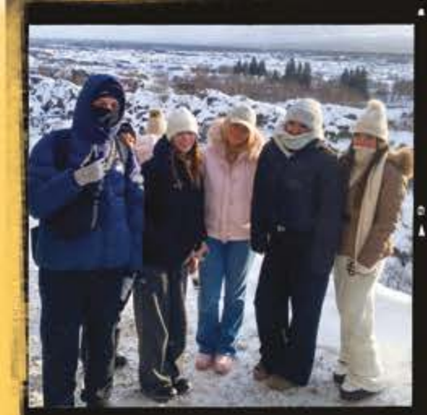

Our international team will be happy to guide you through the process and the opportunities available. Ask your tutor when you start, or email **international.team@dncolleges.ac.uk**

Some of the countries where placements are supported and students have in the past visited include:

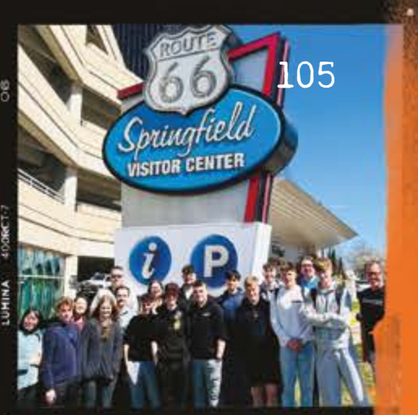

* **Fiji**
* **Finland**
* **France**
* **Germany**
* **Greece**
* **Indonesia**
* **Netherlands**
* **Portugal**
* **Spain**
* **St Lucia**
* **USA**
* **Bali**
* **Belgium**
* **Thailand**
* **Italy**

& more

ENRICHMENT

AT NORTH LINDSEY COLLEGE, LEARNING ISN'T JUST ABOUT THE CLASSROOM – IT'S ABOUT EXPERIENCES THAT HELP YOU GROW, HAVE FUN, AND TRY NEW THINGS.

Throughout the year, there's a wide range of activities for you to get involved in, from guest speakers, career and job workshops, student finance sessions, escape rooms, charity fundraisers, trips, visits, clubs and societies.

There's also plenty of hands-on, active, and team-focused fun to get involved in. Try your hand at fencing, free gym sessions or join one of our sports clubs - there's something for everyone to get involved.

If you're looking for a bigger challenge, you can take part in the Duke of Edinburgh's Award, which helps you build confidence, leadership skills, independence, and life experience.

Keep an eye on our socials for the latest updates!

WANT TO KNOW MORE?

THE DUKE OF EDINBURGH'S AWARD

TAKING PART IN A DOFE JOURNEY WILL GIVE YOU SKILLS, CONFIDENCE, AND SOMETHING TO TALK ABOUT WHEN YOU APPLY FOR COLLEGE, UNIVERSITY OR A JOB.

Beyond your academic achievements, employers and universities want to see evidence of 'soft skills' that you have developed through extra-curricular activities, such as communication, commitment, leadership and teamwork. Your DofE Award is a fantastic way to demonstrate and evidence these skills in practice.

Since offering the DofE award in 2017, we have had over 1700 students at DN Colleges Group take part in a DofE award with engagement numbers rising each year.

The award will be completed within your college timetable and be given step by step support from your course tutors and the DofE team.

You'll have an opportunity to get involved with volunteering, play new activities, such as benchball, dodgeball, archery and arrow tag, and further develop on your soft skills preparing for employment.

At the end of the year, you will have an opportunity to complete your camping and hiking expedition which is the aspect students most look forward to.

You will learn all the skills to prepare you for expedition and receive full support through completing other sections of your award from our in-house DofE team. What are you waiting for? Step outside of your comfort zone, meet new friends and become a new you.

DofE | NORTH LINDSEY COLLEGE

YOUTH WITHOUT LIMITS

WELLBEING & SUPPORT

WELLBEING AND SUPPORT

Starting college is a big step, but you won't have to navigate it alone. From supporting your wellbeing and learning to helping you plan your future, our dedicated teams are here to help you feel confident, supported, and ready for whatever comes next.

PERSONAL DEVELOPMENT

Weekly personal development sessions give you the knowledge and skills you need for life, work and further study. Topics include health and wellbeing, online safety, money matters, safeguarding, British Values, equality and diversity, and preparing for your future.

You'll also have opportunities to take part in workshops, student choice sessions and social action projects.

ADDITIONAL LEARNING SUPPORT

Our Additional Learning Support (ALS) team can provide extra support and specialist equipment to help you get the most from your studies.

CAREERS ADVICE

Get professional, impartial advice to help you explore your options, make informed choices and plan your future career.

WELLBEING AND COUNSELLING

Our Counsellors and Wellbeing Intervention Coaches provide individual support with your emotional wellbeing, attendance, progression and any challenges you may face.

FINANCIAL SUPPORT

Financial support may be available to help with travel, equipment, trips and other course-related costs. Our team can advise you on the support available.

ENGLISH AND MATHS

If you haven't achieved a grade 4 or above in English and maths, you'll continue studying these alongside your main programme to develop essential skills for your future.

SAFEGUARDING

Our dedicated Safeguarding Team is here to help keep you safe and respond to concerns about your safety or wellbeing.

EQUALITY, DIVERSITY AND INCLUSION

We want every student to feel welcome, respected and valued. We celebrate individual differences and are committed to creating a safe, inclusive college community where everyone has equal access to opportunities and support.

GCSE ENGLISH & MATHS

WE AIM TO ENSURE THAT ALL OUR STUDENTS IMPROVE THEIR CONFIDENCE AND COMPETENCE IN ENGLISH AND MATHS SO THAT YOU CAN THRIVE IN YOUR ACADEMIC OR VOCATIONAL AMBITIONS, AS WELL AS IN MANY ASPECTS OF YOUR PERSONAL LIFE. AS SUCH, ENGLISH AND MATHS ARE AN ESSENTIAL PART OF YOUR STUDIES HERE AT NORTH LINDSEY COLLEGE.

Employers and universities really value these key qualifications, so it is important that we help you achieve them. If you do not have a pass in either or both subjects, do not worry!

As a mandatory part of your programme of study, you will work towards achieving a GCSE grade 9–4 (A*–C) with the support of our specialist tutors, alongside studying your chosen subject with us.

If you have a grade 2-3 in either or both subjects, you will be enrolled onto our GCSE programme. If this is not the case, our staff will assess your current level, and you may be enrolled onto a more suitable Functional Skills programme, which will still teach you the skills needed for everyday life, studies and employment.

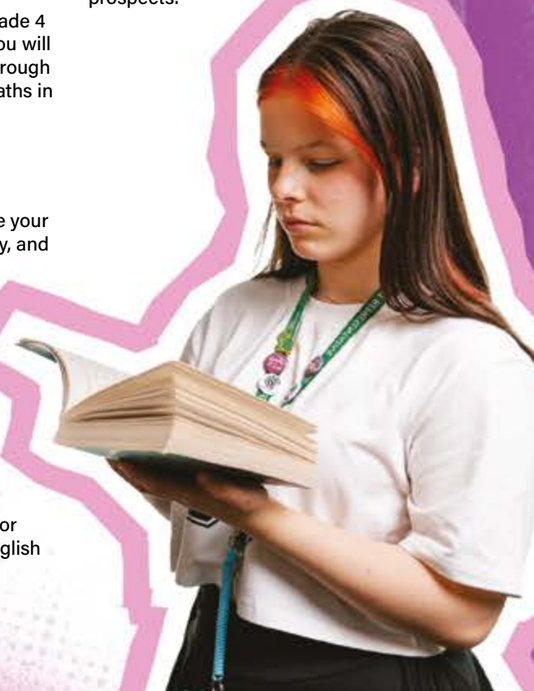

If you have already achieved a grade 4 or above in English and maths, you will continue to develop your skills through the embedding of English and maths in your main curriculum lessons.

WHY STUDY ENGLISH & MATHS?

These skills can help you manage your finances, communicate effectively, and gain a better understanding of current issues (including politics and current affairs), as well as supporting you to excel on your chosen course and in your future career.

Not having these qualifications can sometimes be a real barrier for the future. Most employers and universities look for at least a grade 4 (C) in GCSE English and maths.

People with good GCSE grades in English and maths earn approximately £2,000 more per year than those who do not, highlighting the importance of achieving these qualifications for your future career and financial prospects.

CAREERS

BOOK A PERSONALISED CAMPUS TOUR

WE PRIDE OURSELVES ON OFFERING IMPARTIAL CAREERS EDUCATION, INFORMATION, ADVICE AND GUIDANCE, HELPING YOU MAKE INFORMED DECISIONS ABOUT YOUR COURSE AND FUTURE CAREER PATHWAYS.

Careers appointments and group sessions are available throughout the year, providing you opportunities to explore your options. Working together we can create a personalised action plan, set realistic goals and support you to confidently plan your next steps.

The Careers Team can help you:

* **Find out about courses on offer**
* **Explore career options and make informed decisions**
* **Research career opportunities and progression routes**
* **Apply to university (UCAS support)**
* **Create a CV**
* **Develop job search and application skills**

Everyone's future looks different, which is why our advice is tailored to you. **Scan the QR code above** to book a personalised campus tour or get in touch on **careersguidance@northlindsey.ac.uk** to book a one-to-one appointment with the team.

The careers team is proudly accredited to both Matrix and Quality in Careers, reflecting our commitment to providing all students with a high-quality level of service.

CDI CAREER DEVELOPMENT INSTITUTE

QUALITY IN CAREERS STANDARD

APPLICATION PROCESS

APPLY → INTERVIEW → ENROL

1. APPLY

You can do this online by scanning the QR code, or ask for a paper application form through your school or by dropping in to see us.

2. INTERVIEW

Once we have your application you will be invited into College for an informal interview with your tutor.

3. ENROL

This normally takes place on GCSE results day, so expect to come into College towards the end of August to complete the application process.

In between those three steps, there are plenty of opportunities to come onto campus to meet the tutors, see our facilities and get to know us some more! **Check out our Open Events on the back page.**

ONE SUBJECT

Most Level 3 subjects here at North Lindsey College are equivalent to three A Levels, so when you apply to study with us at this level you only need one subject.

Within that subject you will gain the UCAS points needed to progress to university, so unlike other colleges where you perhaps study three A Levels to gain the right UCAS points, here you only need one.

GCSE ENGLISH & MATHS

If you do not have the GCSE grades to progress to a Level 3 qualification you will be able to resit your English and maths here at North Lindsey College. You will be able to combine them with a Level 2 qualification of your choice to enable you to step up to a Level 3 the following year (see page 9 for more information on re-studying your GCSE).

APPLY NOW!

TRAVELLING TO COLLEGE

£3 PER WEEK

YOUR TICKET TO COLLEGE LIFE.

You don't need to worry about how you will get to College. Our students can access bus routes covering a wide range of areas including (and everywhere in-between):

* **Scunthorpe**
* **Gainsborough**
* **Grimsby**
* **Immingham**
* **Goole**
* **Barton**
* **Isle of Axholme**
* **Cleethorpes**
* **Brigg**

If you are **aged between 16 to 18** and you **live between 1 - 3 miles** you may be eligible for support through financial assistance towards weekly mega-rider tickets.

If you **live more than 3 miles** from college, we can help subsidise your travel.

- Bus passes for North Lincolnshire residents cost £90* for the academic year or can be paid in three instalments of £30
- Bus passes for all other local areas outside of North Lincolnshire cost £400* for the academic year or can be paid in three instalments of £150 for term one and £125 for terms two and three**

If you are **over 19** and **live over 2 miles** from College, you do not qualify for a bus pass, however we can support you with the travel costs through the College's Financial Assistance Fund. We can support with bus/train tickets refunds, or petrol costs dependant on your mode of transport.

If you're unsure about the route you need to take, how to apply for your bus pass or have any other concerns about travel, please get in touch on **01724 294179** or email **financial.support@dncolleges.ac.uk**
